Dear Mr. Nickerson,

Recently I was made aware of a water/sewer issue that was extremely excessive to my usual bill. For the past four months I have been confined to McCauley Nursing Home for cancer treatment. Upon notification of these bills from the North Tonawanda Water Department, I sent a representative to 116 10th Avenue to find no water running. My tenant's apartment had no water running, however my toilet was running. With an adjustment of the handle, it stopped.

I would very much appreciate any consideration of the city and council on an adjustment of my bill to a manageable amount. Thank you in advance for considering my request.

Very truly,

Donald L. March
