Re: Hydroplane Boat Race, August 18 & 19, 2012

Dear Mayor Ortt,

The Niagara Frontier Boat Racing Association (NFBRA) would like to formally request the use of Gratwick Park the weekend of August 18th and 19st, 2012 as part of our hydroplane boat racing event scheduled that weekend. The race will feature several championship inboard hydroplane classes from the American Power Boat Association and Canadian Boating Federation.

The NFBRA has held many races on the Niagara River since 1939 and exclusively at Gratwick Park in North Tonawanda within the past several years. Over the last few years our organization has had the support of the local community and businesses. We are excited to have the opportunity to bring this sport back to the area. The City has been gracious in its support in previous years and we are looking forward to hosting this event with your help.

Please contact me at your earliest convenience to discuss the opportunity to use the park. We know that this event will be good for the local community. Please help us make the Niagara River a premier boat racing venue once again!

Thank you for your continued support!

Sincerely,
Niagara Frontier Boat Racing Association
