MAY - 1 2012

April 26, 2012

Honorable Robert G. Ortt, Mayor
and Common Council Members
City Hall
North Tonawanda, New York 14120

Re: Project No. 2012-03,
Webster Street Green Infrastructure Drainage Improvement Project
Award of Engineering Agreement

Honorable Body:

On March 30, 2012, the City received nine (9) proposals from qualified consultants who responded to the City's request for proposals issued March 15, 2012, for providing engineering services for the Webster Street Green Infrastructure Drainage Improvement Project; funded by a $574,000 grant from the Green Innovation Grant Program administered by the New York State Environmental Facilities Corporation.

The eight member steering committee met on April 25th to review the proposal evaluations and respectfully recommends that the Common Council award the design of the Webster Street Green Infrastructure Drainage Improvements to Bergmann Associates, 28 East Main Street, 200 First Federal Plaza, Rochester, NY 14614-1909 in an amount not to exceed $74,999, authorizing the Mayor to sign an agreement subject to review by the City Attorney.

Very truly yours,

Dale W. Marshall

Dale W. Marshall, P.E.
City Engineer
