Traffic Safety Minutes:

The June meeting of the North Tonawanda Traffic Safety Committee was called to order at 1900 hours. Roll call showed the following members present: J. Sikora, A. Vater, R. Frank, E. Smolinski, M. Anastasi and A. DiBernardo. The minutes from the previous meeting were read and accepted. The following new concerns were discussed and recommendations made.

1. Donna Hellerer, Safety Coordinator for First Student, 655 Walck Road, NT, requested moving the stop line located in the West bound lane of Walck Road at Nash back in order to open the intersection. This would make it easier and safer for vehicles turning East onto Walck from Nash to negotiate the corner. This recommendation may also eliminate some traffic back up on Nash waiting for vehicles to make the turn onto Walck. The Committee agrees with this request and would like to see the line moved ASAP. Tom Tusssing was contacted to be sure there are no laws dictating placement of the stop line. There is nothing prohibiting placement of the stop line.
2. William DeMonte requested painting curbs located on the South side of Sweeney Street in front of the Remington Lofts restaurant to make them more visible. At this time there have been no traffic issues involving these curbs. This request will be held for future discussion and the area will be watched for any problems.
3. Attempts to contact NYS DOT concerning traffic signals on River Road at Main and Witmer as well as placing cross walks at all signals along River Road have been unsuccessful. New contact numbers will be tried in the future.

Respectfully Submitted,

Joseph D. Sikora
