Scott Kiedrowski, NT City Clerk

City Hall

216 Payne Avenue

North Tonawanda, NY 14120

Dear Mr. Kiedrowski,

As owner of the property at 137 Fifth Avenue, I am asking for city permission submitting a formal hardship request for vehicle parking, at said address. My family has four registered vehicles. It is extremely difficult to jockey cars in our current driveway. After being in conversation with Mr. Dale Marshall and Alderman Russ Rizzo, I was told to submit a formal request to use city property in front of my property at 137 Fifth Avenue to use for vehicle parking, and keep the cars off the s-curve, which is in front of my home address. The area in question would be 18 feet long by 16 feet wide, and would have "green space" between the street and proposed parking and the proposed parking at the current sidewalk.

As owner of the property, I have maintained this city parcel in front of my house since 1995, in regards to grass cutting and limb and leaf disposal, and ask that you could present this request at your next City Council meeting.

Thank you for your time, on my behalf,

Sincerely,

Robert D. Schmigel
