Traffic Safety Minutes:

The April meeting of the North Tonawanda Traffic Safety Committee was called to order at 1900 hours. Roll call showed the following members present: J. Sikora, R. Frank, A. Vater, M. Lemke and A. DiBernardo. The minutes from the previous meeting were read and accepted. The following new concerns were discussed and recommendations made.

1. A request to place a sign restricting truck traffic on Bryant Street was discussed. The Committee would like additional information on the issue such as the type of trucks, local delivery, and appliance delivery or for a local business. Sweeney Street is a truck route so if local deliveries are being made from this route additional information is needed. There was no name or contact number with the request so at this time the Committee is going to watch the area for truck traffic.
2. A request from Mr. and Mrs. Starich, 516 Wall Street, to place a "no parking" sign in front of their home was discussed. The request states part of the reason is due to a large van that parks directly in front of their home. Before any "no parking" signs are placed in a residential neighborhood all residents must be contacted. Placing such a sign only shifts where vehicles park. The resident will be contacted.
3. A request from Marsha Gifford, 266 Sweeney Street, to post "no parking" signs along the house side of Sweeney Street was discussed. The area will be watched for parking problems and the resident contacted.

Respectfully Submitted,

Joseph D. Sikora
