Honorable Robert G. Ortt, Mayor

City Hall
North Tonawanda, NY 14120

Dear Honorable Body:

On April 1, 2009, the City was awarded Grant Contract #M090051 from New York State Department of State, in the amount of $32,700, for the DeGraff Water Main.

The City's Engineering Department, in conjunction with the Department of Public Works has received three proposals for materials related to the DeGraff Water Main replacement. The low proposal for materials is Lock City, with a proposal of $18,023.34. The City also received three quotes for labor and equipment related to the installation. The low proposal was received from Visone Construction in the amount of $34,825.00.

In order to complete this project it is necessary to approve and establish funding for a new Capital Project titled "DeGraff Water Main." In order to establish this project, $58,135 will be needed to be transferred into the Capital Projects fund from the Water Fund; $32,700 of this amount will be an interfund loan and will be returned to the Water Fund once grant monies are received. The other $27,300 is a transfer for the amount of the project that will not be covered under the grant plus a 10% contingency, whereby any unused funds will be returned to the water fund upon project completion.

In accordance with Article V, Division 2, Section 5.023 and Section 2.2 of the Budgetary Transfer Policy, please authorize the City Accountant to make the following transfers of fiscal year 2013 appropriations, based on the request of the Department Head, copy attached:

Traffic Safety Minutes:

The October meeting of the North Tonawanda Traffic Safety Committee was called to order at 1900 hours. Roll call showed the following members present: J. Sikora, A. Vater, R. Frank, E. Smolinski, M. Anastasi, and A. DiBernardo. The minutes from the previous meeting were read and accepted. The following new concerns were discussed and recommendations made.

1. Member Vater received a request from Charlie's Barber Shop on Goundry Street to post 2 hr. parking signs in front of the shop. The Committee discussed the request and feels this request fits with recent changes made to parking limits in the Webster Street area. The Committee recommends posting the signs.
2. A request from Steve Meaney, 665 Oliver Street, contacted the Committee in September concerning parking in his neighborhood. Several attempts to contact Mr. Meany have been made all unsuccessful. Members of the Committee have not seen a problem in the area so at this time we recommend leaving parking as it is.
3. Salvatore Todaro, 306 Summit Blvd. contacted the Committee concerned with speeding on his street and having speed limit signs posted. After a discussion the Committee does not recommend placing speed limit signs at this time. We will continue to watch the area and if additional complaints are received Police enforcement can be increased.
4. A request from David Evans, 1387 Sherwood Ave., regarding signal devices at Erie Ave. and Meadow Dr. as well as Erie Ave. and Sherwood. The Committee will discuss this request in the future once the extension is complete.

Respectfully Submitted,

City Clerk
216 Payne Ave.
North Tonawanda, NY 14120

Dear Mr. Kiedrowski:
The Downtown Merchants would like permission to hold our annual WinterWalk on Webster Street on Saturday, December 7th.

The WinterWalk committee has arranged for two hay wagons again this year. They will travel through North Tonawanda into Tonawanda and back again. The route would be on Webster Street in North Tonawanda and Main Street in Tonawanda.

We respectfully request that you provide an Auxiliary Police car and driver to follow the hayride wagons from the Cornerstone Credit Union parking lot at 107 Main Street to the Walgreen parking lot in Tonawanda and then back again. The Tonawanda car would escort the other wagon starting in Tonawanda, into North Tonawanda and back again. This is the same route as last year's WinterWalk and the Auxiliary Police are familiar with the procedure. We will contact the Emergency Management Office with our request.

The times for the rides are 11:00 A.M. to 3:00 P.M., Saturday, December 7th.

We have also arranged for a Petting Zoo and to accommodate that event, we request the closing of Tremont Street from Webster to the exit of Gateway Apartments Parking lot. This is the same area we've used each year. The Petting Zoo is scheduled for 11:00 A.M. to 3:00 P.M. on Saturday, December 7th.

Thank you for your consideration.

Sincerely,

Kay Learned

P.O. BOX 30 • 499 ZIMMERMAN STREET • 716-694-0777 • NORTH TONAWANDA, NEW YORK 14120-0030

Dear Mayor Ortt and Common Council Members,

I would like to request permission to have a Christmas parade on Saturday, December 14, 2013. The parade route will begin on Main Street in the City of Tonawanda continue over the Webster Street bridge onto Webster Street and finish in front of the Riviera Theatre. This will be part of the Sweeney Hose Fire Co#7, and the Riviera Theatre's joint fundraiser titled, "A Christmas Story 30th anniversary tour, North Tonawanda". We will be working with the Winter Walk committee who this year has decided to make Winter Walk a weeklong event.

The parade will begin at 11am and will finish no later than 12pm. We will be having local business's that sponsored the event along with groups from local schools and other non for profit organizations participate in the parade. The last two floats in the parade will be the fire truck that was used in the movie "A Christmas Story" with Santa on the back and the Twin City Ambulance float that will have six of the actors from the movie who are part of our fundraiser show.

We would like Webster to reopen as soon as the parade is over so we do not disrupt any of the stores and so that parking will be available for our show that begins at 12:45pm.

If you have any questions, please feel free to contact me at 984-4262 or by email joe.lavey@tcaems.com.

Thank you for your consideration.

Dear Mr. Andres:

I am writing to you to request permission for North Tonawanda School District's first 5K and 1 mile family fun run to be held on Saturday, April 5, 2014 at 9 AM. We intend for the races to begin and end at North Tonawanda Middle School. I have attached a proposed race route, which runs through Wurlitzer Park.

I have been in contact with Captain Roger Zgolak, who is in support of our presented route and schedule. I would like to request police escort and presence at critical intersections, as well as DPW assistance in providing barricades along the route.

We are very excited to offer this event for our community at a very low cost for adults, and hopefully free for children, as we are promoting good overall community health. Our hope is to make this a yearly event.

Thank you for your consideration of this request. If you need further information, please contact me at 807-3715.

**Dear Honorable Body;**

**The Historical Society of the Tonawanda's respectfully requests a resolution from your Honorable Body in support of our application that was submitted to the Niagara River Greenway Commission for funding for a Historical Marker signage expansion project on the Niagara River and the Erie Canal. **A variety of Historical Signage currently exists throughout the Twin Cities and we are looking to improve and expand on the identification of those locations.**
