Dear Mr. Kiedrowski:

The Community Development Department is preparing a grant application that will be submitted to the NYS Office of Community Renewal for a Public Facilities grant under the Federal Community Development Block Grant Program (CDBG). If the grant application is approved the funds would be used for handicapped accessibility improvements at the Carnegie Arts Center.

In order to qualify for the grant the City of North Tonawanda must hold two public hearings for citizen input. Because the grant announcement is expected on June 25, 2013; I am respectfully requesting that the Common Council authorize the advertising and holding of two public hearings on June 20, 2013 at 3:00pm and June 24, 2013 at 3:00pm. Both hearings will be held at 500 Wheatfield Street, North Tonawanda, New York.

Thank you for your consideration of this request.

Best regards,

Richard Tindell

Community Development Director
