Traffic Safety Minutes:

The May meeting of the North Tonawanda Traffic Safety Committee was called to order at 1900 hours. Roll call showed the following members present: J. Sikora, R. Frank, A. Vater, M. Lemke, E. Smolinski, M. Anastasi, and M. Daigler. The minutes from the previous meeting were read and a motion by Anastasi with a second from Smolinski to accept as read was carried. The following new concerns were discussed and recommendations made.

1. Smolinski reported he would like Oliver Street from Sweeney to Tremont marked with an offset yellow line to make additional room for parked vehicles on the East side. Daigler will look into the request as well as the possibility of allowing parking on both sides of the block.
2. A request from 143 Division to place a do not block driveway sign was discussed. The driveway is blocked by patrons of Just Pizza on occasion. The Committee discussed this request and recommends placing the sign.
3. Daigler reported line markings and painting will be underway soon now that weather is improving.
4. Daigler reported on the parking change requested by Donna Braun along Schenck Street near Payne. After the discussion the Committee is in agreement with changing the parking spots to run parallel with Schenck Street. However we do recommend making one spot handicapped.

Meeting adjourned at 1950 hours.

Respectfully Submitted,

Joseph D. Sikora

Dear Common Council and Mayor:

Our office is requesting that the Common Council authorize the Mayor to sign the attached agreement with Bergmann Associates to complete a Tonawanda Island Brownfield Opportunity Area Implementation Strategy. Bergmann has done previous work for the City on this project that we were happy with. This is the final step to completing the Brownfield Opportunity Area planning process that the City has received grant funding for. The entire cost of the agreement will be covered by the grant funds that have been awarded to the City.

Please contact Michael Zimmerman with any questions you may have. Thank you for your consideration.

May 20, 2014

Robert G. Ortt, Mayor
City of North Tonawanda
216 Payne Avenue
North Tonawanda, New York 14120

Dear Mayor Ortt:

Again, please let me express my personal gratitude and that of everyone involved with the Carnegie Art Center for your support and the city's assistance with our annual celebration with the Queen City Roller Girls. We could not have a successful event without the fabulous cooperation of all the city departments.

This year, QCRG is planned for Saturday, June 7 at the Carnegie Art Center. The gallery exhibition, Collide-a-scope 2014: STREET, will open Thursday, May 29th from 6:30-8:00 pm. The show will close on Saturday, June 7th, in conjunction with the QCRG Championship bout at Rainbow Rink. Current plans include a chicken barbeque at the Carnegie before the bout, beginning between 2 and 3 pm, family activities and our annual 1 1/2 block parade to Rainbow Rink.

After the event, the skaters will return to the Carnegie Art Center for dinner, until about 9:30pm. The major after bout party will be held at Dwyer's Irish Pub on Webster Street.

We are requesting permission for the parade *only* this year. We will not need a wine and beer permit, because the after bout party will be elsewhere; not at the Carnegie Art Center. The parade will take place along Goundry Street from the Carnegie Art Center, at 240 Goundry to the parking lot of Rainbow Rink, 101 Oliver Street. The parade would begin around 5:30pm.

This is our fifth collaboration with the QCRG's. Our past events were all successful, thanks to the support of the City of North Tonawanda and created positive press for NT. We look forward to working with you and the city again on this year's celebration.

Please call me with any questions.

Sincerely,

Mary L. Simpson
