Mayor Ortt,

Each year, the Library ushers in the Summer Reading season with a "Major Kickoff" event. On average, this event brings over 200 local children and their families to the Library in a celebration of reading, the Public Library, and the North Tonawanda community.

Due to the overwhelming success of last year's event, the Library would once again like to kick off Summer Reading with a "Discover Trucks" event. This event would provide children with an opportunity to climb and explore the city's fire trucks, police cars, and DPW vehicles while allowing representatives from these departments to "show off" what they do.

With permission from the City and cooperation from appropriate departments, we would like to hold this year's program on Wednesday, July 9th at 12PM. As per present plans, the event will take place at the Library, with vehicles parked in the adjacent Meadow School parking lot. We are hoping for a great turnout!

We appreciate your efforts in making this event a success once again!

Sincerely,

Dear Mayor Ortt,

My name is Joseph Momot. I am a member of the Lake Erie Region of the Antique Automobile Club of America. I am also one of the house organists at the Historic Riviera Theater.

This year, my wife, Mary and I, are hosting the annual Fall Foliage Tour for our car club. It will be held on Sunday, October 19, 2014, from 9 am to approximately 2 pm. The tour will begin at the Riviera Theater, with a tour of the theater and organ demonstration at 11:30 am. We are also planning to have a "coffee and cars" morning prior to the theater tour. In conjunction with this, I am requesting to have a portion of Webster Street closed from the Riviera Theater south to Tremont Street between 9 am and 2 pm on October 19, 2014, to accommodate parking and staging our vintage vehicles for the annual Fall Foliage Tour. I have already arranged the tour with theater management and they are on board with this idea and are planning media coverage for the event. I understand that this request must be approved by the city council for Webster Street to be closed for this period of time on the 19th. Please let me know if you require any further information regarding our event. I can be contacted at the address and phone number listed below. Thank you in advance for your prompt reply in this manner.

Re. Thursdays at Gateway in the Tonawandas

Mr. Russ Rizzo, Council President
City of North Tonawanda
216 Payne Ave.
North Tonawanda, NY 14120

Dear Mayor Ortt,

In an effort to bring more people to North Tonawanda we, the Merchants Association have an idea for an event to be held on Thursday nights throughout the summer at Gateway Park.

The event will feature a market with artisans, food trucks and music. This is a trendy thing in many cities, including the Larkin Square Market and the Saturday Artisan Market here in Buffalo. The artisan market will have quality hand made goods, the music mostly acoustic and the food trucks will feature a variety of specialties. The hours of the event each week would be 4pm to 7:30pm. Our proposed start date is June 19th ending August 28th. There would be no market on July 10th or July 17th due to Canal Fest.

The market will also be a joint effort with the City of Tonawanda and the Merchants in the downtown area. We share the same vision and will execute the event as one single event with two locations. Our goal is to grow this event in years to come. Any of the monies made during the event will benefit the Merchant Association and our continuing efforts to beautify and promote the area.

We would like to begin this market as soon as possible and are respectfully requesting your support in our efforts. We are also requesting a parking dispensation for the Sweeney Street Tenants to park on Webster Street with no issues.

Please feel free to contact me should you need further details.

Thank you very much for your consideration.

Sincerely,

M. Suzanne Todaro

Subject: Block party request for Treichler Street

Dear Mayor Ortt,

I contacted your office recently and spoke with your assistant Sue Hempel regarding the process for street closure for a neighborhood party. She informed me that the procedure for securing permission to hold such an event is to send a request to you – which would then be followed by approval from the Common Council. The details of the requested event are as follows:

Date: Saturday July 19, 2014 (Noon to 9 PM)
Location: South end of Treichler Street (from the Hewitt St intersection to the middle of the block – highlighted in yellow on the map below)
Purpose: Local party for residents

The roadway will be used for games and activities and would be accessible in the case of an emergency. No vehicles will be parked on the closed section of the street. The north end of the street (from mid-block to the Rosebrock Street intersection) will be open for local traffic (i.e. residential access to driveways and if needed the fire hydrant in front of 685 Treichler).

Please let me know if there are any questions or additional information required.

Project 308 Gallery

June 12, 2014

Scott Kiedrowski
County Clerk
216 Payne Ave
North Tonawanda, NY 14120

Dear Mr. Kiedrowski,

My name is Natalie Brown. I own and manage the Project 308 Gallery located at 308 Oliver Street, between Robinson and Schenck Street. The gallery has been open since August 2012. I completely renovated the once vacant storefront to a fully functional commercial gallery. As an ongoing "project," my efforts focus on resurrecting the space to its full potential of physical and conceptual beauty.

I would like to request closing off Oliver Street from Robinson Street to Schenck Street on Saturday, August 16th 2014 in order to hold an art festival that will extend from the street to the gallery. The art festival will mark the two year anniversary of the opening of the Project 308 Gallery. The event will be a compilation of 50-65 artists and crafts people displaying and selling their work. There will also be music and dance performances throughout the day. The festival will take place from 11am-4pm and set up will begin at 9:30am. This date and time do not conflict with canal fest or any other art festivals in Western New York.

I organized an art festival on the street last year and it was a great success. The festival generated a large audience and the surrounding business owners appreciated the extra business. Many people in the community have requested that I have the festival again.

The event will be a great occasion for the surrounding community to encounter a variety of art work by local artists and become familiar with the Project 308 Gallery. The art festival will assist in my ongoing endeavor to enliven the area around the gallery and develop a stronger community grounded in the arts. I would appreciate any effort that facilitates the success of the art festival. Permission to close the street would be the first major step in this development. I can provide further information if needed. Thank you for your time.

Sincerely,

Natalie Brown
