Re: Property Donation

Dear Honorable Body,

Please authorize the city to accept the property at 437 Kohl Street from Wells Fargo along with a cash donation of $6,000. This property is currently abandoned and unsecured. Per the city building inspector, there are several aspects of the home that are in need of repair before it could habitable. Wells Fargo has committed to pay all closing costs including the title insurance policy, taxes and any past due utilities. This city will accept ownership of and secure this property until such time that it can be sold.

I am requesting your honorable body pass a resolution accepting the terms subject to approval from the City attorney.

Please feel free to contact me should you have any further questions.

Faithfully yours,

Robert G. Ortt

Re: 437 Kohl Street

At your request I inspected the house at 437 Kohl Street.
The inspection reveals the following;

1-The house has been empty for some considerable time and it is unsecured.
2-The roof is in need or replacement.
3-The interior has several areas where the ceilings have caved in, most likely from a roof leak. (See attached pictures).
4-The front steps and gutters are in need of repair or replacement.
5-The grass is being maintained.

I do not know the condition of the plumbing, heating or electrical.
The building in structurally sound, in fair shape and can easily be repaired or remodeled.

If you need additional information, please let me know.

RE: Amendment No. 5 Meadow Dr. Construction Inspection
PIN 5757.52 – Meadow Drive Extension Project

Dear Mr. Marshall:

Parsons Brinckerhoff, Inc. is pleased to submit a proposal for extension of work duration for the Meadow Drive Extension Project. This extra work is required to cover costs for time extension for Construction Observation Services and Construction Support provided for the Meadow Drive project on a time and material basis not-to-exceed $37,364.00; without further review and approval of the city.

Proposed Amendment No. 5 will modify our existing Agreement (dated June 7, 2007; amended on May 17, 2011; September 11, 2012; August 2, 2013 and April 3, 2014) with the city as described below.

- The Scope of Services as described in Attachment B of our existing Agreement with the city will be amended to include the additional scope of services for construction support/construction observation services.
- The Compensation provision of the Agreement will be increased by $17,364.00 and invoiced on a time and materials basis. The total Agreement value will be increased to $522,087.00.
- All other terms of our Agreement shall apply.

Execution of this letter modification will document city's acceptance of proposed Amendment No. 5.

Very truly yours,

PARSONS BRINCKERHOFF, INC.

Re: Renewal Agreement with Enerscope

Dear Honorable Body:

Our Agreement with Enerscope has expired as of June 30, 2014. Enerscope provides consulting services for the procurement of Natural Gas for the Water Department. The renewal fee will be $3,600.00 ($300.00 per month) inclusive for the River Road account. Continued inclusion of the Archer Street account in the contract will be an additional $30.00 per month or $360.00. In addition, the annual fee for bidding for the 2014/2015 fiscal year will be $690.00. We have used Enerscope for several years and I would like to retain their services for the next year also with the City Attorney's and your approval.

Thank you in advance for your time and consideration in addressing this request.

Honorable Council Members,

The City has recently deposited funding from New York State to assist in the operation of the Emergency Management Office. This *Local Emergency Management Participation Grant (LEMPG)*, is a yearly funded program that has brought over $49,000.00 to the City in just the last three years. This Grant covers about 78% of the operating cost for Emergency Management.

As you are aware, the City obtained from the County, their used Mobile Command Post in late 2013. Work is in progress and the Command Post will be available for City use by the start of this years Canal Fest in July. We do have a need to obtain some additional equipment to assist in the deployment of this vehicle.

I am requesting a portion of the Grant money be moved from the General Account to the Emergency Management budget to purchase the following:

1.	Computer printer	$100.00	
2.	Dry Erase boards	$1500.00	
3.	2 Programmable Message Boards	$1000.00	
4.	Incident Command ID Vests	$500.00	
5.	2 Video displays	$1000. 00	**TOTAL $4,100.00**

If you concur with this request, it will greatly enhance the capabilities of the office and will be available for all Departments, should the need arise.

Lastly, I would request that a portion of these yearly funds be incorporated into future budgets.

Should you have any questions, I will be happy to meet with you.

Respectfully,

Fire Chief John C. Lapham

Re: upgrading positions

After a lengthy search and interview process to find a replacement for former Code Enforcement Officer Mike Adams, and having difficulty finding a qualified individual who has the qualifications required to perform the duties of this position I am requesting that the position of Code Enforcement Officer be upgraded from the present Group VII to a Group XII. Also to be fair, the position of Assistant Building Inspector, should also be upgraded to the same Group XII.

The position of CEO will have added responsibilities which will include electrical inspections, a revenue generating position, as well the present duties of housing and property maintenance inspections. The pay upgrade will allow us to bring in a fully Code Compliant, qualified individual who will require minimal training, who will be able to take on the task immediately and not requiring the City to spend six weeks of payroll sending said individual to Code school.

I respectfully request that the requested upgrades be approved as soon as possible.

Also be advised that the requested upgrades will not add to my 2014 budget.

If you have any questions or need additional information, please let me know.

Dear Mr. Kiedrowski:

The Senior Companion and Foster Grandparent Programs, sponsored by the Health Association of Niagara County, Inc. (HANCI), are joining to celebrate summer with a picnic on August 6, 2014, held at the Pinewoods Pavilion #1, Pinewoods Park, North Tonawanda. The date is flexible based on pavilion availability. The picnic will honor 30 older adults who have generously volunteered more than 24,000 hours of service during the past year to make our community a better place.

We are requesting that the Pinewoods pavilion fee be waived. We will gladly acknowledge the waiver by making an announcement to those in attendance, so that the volunteers will know that the city appreciates their dedication to children and seniors throughout the Niagara community.

Thank you sincerely for considering this request. If you have any questions, please feel free to contact us at ksmith@hanci.com or 285-8224, ext. 228 or aloian@hanci.com or 285-8224 ext. 217.

Dear Council Members,

It has come to my attention that a Mr. Mark Weber would like to place two or three pianos on Webster Street as part of his "Pianos in Public Buffalo" campaign. His website reads, "Don't let old pianos die. Help them be re-born as colorful, playable works of art for all (to enjoy) this summer!"

His project has been covered on the local news channels and is supported by private donations. My church, for example, donated two such pianos to him, so it was his suggestion to place them on Webster St. I raised the possibility at our Downtown Merchants' Meeting, and everyone was very excited about the project.

It is my understanding that he is responsible for getting the pianos artist-painted, for placing them on the street for the summer, for removing them in the fall, and for carrying insurance. It is also my understanding that the common council would need to pass a resolution to make this project a possibility. If you would pass such a resolution, I will contact Mark Weber and see if the idea can become a reality.

Thank you for your consideration.

North Tonawanda, NY 14120

Dear Common Council Members,

As you all are aware Heritage Park presently has no type of lighting with in the park. This is a matter of Public Safety and could prevent vandalism in the park. Back in 2011 former Alderman Richard Andres, worked with National Grid and the Mayor's Office to have lighting installed in the area between Oliver Street and Vandervoort Street.

I have been in contact with National Grid to revisit this topic and I am proposing that we install these lights in the entire park. The lights would be installed by National Grid using existing poles in the park, from Oliver Street to Lincoln Avenue.

I propose we accept the proposal from National Grid to install 10 street lights on existing poles throughout the park.

Sincerely yours,

Donna Braun
