Dear Honorable Body:

I have just finalized the location, time, and date of the IN REM Auction for the tax foreclosed real estate in the City of North Tonawanda. I sent out five letters on March 23 (Gratwick, Sweeney, Rescue Fire Halls, Knights of Columbus, and Sikora Post) and received two responses. One was the Knights of Columbus and the other was Sikora Post. Of the two, The Stephen Sikora Post #1322 located at 950 Payne Avenue was able to host this event. The Auction will be on June 6th with registration beginning at 9:00 a.m. The Auction will promptly begin at 10:00 a.m. If you should have any questions please address them to the office of North Tonawanda City Clerk – Treasurer.

Re: Weed cutting contract

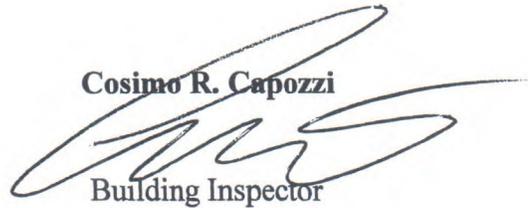

Attached please find copies of two proposals received by this department for brush, weed cutting and clean up of private property for 2015 season.

We mailed six requests for bids to local landscaping contractors (copy included) and we gave one to a seventh. We received a total of two bids, copies included.

After a review of the submitted bids I strongly recommend that the 2015 weed contract be awarded to ABC Professional Lawn Care. This company did a great job for us last year without any issues or problems.

[SEAL]

EXHIBIT A

CITY OF NORTH TONAWANDA

**POST-ISSUANCE COMPLIANCE POLICIES AND PROCEDURES
Related to Tax-Exempt Obligations**

Adopted: April 21, 2015

These Post-Issuance Compliance Policies and Procedures (the "Procedures") are adopted by **CITY OF NORTH TONAWANDA**, Niagara County (the "City") to ensure that interest on tax-exempt obligations of the City (the "Bonds") remains excludable from gross income under Section 103 of the Internal Revenue Code of 1986 (the "Code").

In order to ensure continued compliance with requirements of the Code and the applicable regulations (the "Applicable Federal Tax Law") associated with the issuance of Bonds, the City will consult with the City's bond counsel, in advance, regarding deviations from the facts and expectations set forth in the closing certifications relating to any issue of Bonds.

If as a result of changes to the Applicable Federal Tax Law or the New York State Local Finance Law these Procedures are in conflict with such laws, the City will consult with Bond Counsel regarding the proper course of action, including amending these Guidelines.

I. Procedures

The City Treasurer of the City (the "Designated Tax Compliance Official") is the primary person to consult with the City's bond counsel ("Bond Counsel"), financial advisor and other advisors on a continual basis for the entire term of the Bonds. The Designated Tax Compliance Official may delegate to his or her staff or contract with independent contractors (such as an arbitrage/rebate consultant) responsibility for different aspects of post-issuance tax compliance. However, the Designated Tax Compliance Official will be ultimately responsible for implementing the procedures described herein.

II. Securing Closing Documents

Following each issuance of Bonds, the Designated Tax Compliance Official or his or her designee will:

- a. Confirm the filing of the Form 8038 or Form 8038-G (or applicable successor form) with Internal Revenue Service ("IRS"). Filing of the applicable Form 8038 is usually undertaken or overseen by Bond Counsel at or soon after the closing of a bond issue.
- b. Obtain and store the Transcript of Proceedings prepared by Bond Counsel (which typically includes the applicable Form 8038 and the Arbitrage and Tax Certificate containing the City's expectations as of the date of issuance of the bond issue).

III. Recordkeeping

The Designated Tax Compliance Official or his or her designee will:

- a. Establish a plan for keeping relevant books and records as to the investment and the expenditure of bond proceeds.
- b. Keep accurate records including:
 - (i) Basic records relating to the bond transactions (including the bond resolutions, closing documents, and the Bond Counsel Opinion (see Securing Closing Documents, above);
 - (ii) Documentation evidencing the expenditure of bond proceeds;
 - (iii) Documentation evidencing use of bond-financed property by public and private sources (*i.e.*, copies of leases, management contracts);
 - (iv) Documentation evidencing all sources of payment or security for the bonds; and
 - (v) Documentation pertaining to any investment of bond proceeds (including the purchase and sale of securities, subscriptions for United States Treasury Securities-State and Local Government Series (“SLGs”), yield calculations for each class of investments, actual investment income received from the investment of proceeds, guaranteed investment contracts and rebate calculations).
- c. Keep all records in a manner that ensures their complete access to the IRS so long as they are material.
- d. Keep the relevant records for each issue of bonds for as long as such issue of bonds is outstanding (including any bonds issued to refund such issue of bonds) plus three years after the final redemption date of the bonds.

IV. Arbitrage Rebate and Arbitrage Yield Restriction

The Designated Tax Compliance Official or his or her designee will:

- a. Engage the services of the City’s financial advisor or an arbitrage/rebate consultant for assistance in compliance with arbitrage related issues.
- b. Consult with the City’s bond counsel, and/or financial advisor to determine if an issue of Bonds is exempt from the rebate requirement under the exception for “small issuer” (Section 147(f)(4)(D) of the Code).
- c. Work with the City’s bond counsel, financial advisor and/or arbitrage/rebate consultant to monitor compliance with “temporary period exceptions” for expenditure of bond proceeds, typically three years for new money bonds and provide for yield restriction of investments or “yield reduction payments” if exceptions are not satisfied.
- d. Work with the City’s bond counsel and financial advisor to ensure investments acquired with bond proceeds are purchased at fair market value. This may include use of bidding procedures under the regulatory safe harbor (Section 1.148-5(d) of the Regulations).

- e. Consult with the City's bond counsel or arbitrage rebate consultant prior to the creation of funds which would reasonably be expected to be used to pay debt service on tax-exempt bonds to determine in advance whether such funds must be invested at a restricted yield (i.e., yield restricted).
- f. Consult with the City's bond counsel and financial advisor before engaging in post issuance credit enhancement transactions (e.g., bond insurance, letter of credit) or hedging transactions (e.g., interest rate swap, cap).
- g. Consult with the City's bond counsel, financial advisor, and/or arbitrage rebate consultant to identify situations in which compliance with applicable yield restrictions depends upon subsequent investments (e.g., purchase of 0% SLGS from U.S. Treasury) and monitor implementation.
- h. Work with an arbitrage rebate consultant to arrange for timely computation of rebate/yield reduction payment liability and, if an amount is payable, for timely filing of Form 8038-T, Arbitrage Rebate, Yield Reduction and Penalty in Lieu of Arbitrage Rebate (or applicable successor form), and payment of such liability. Rebate/Yield Reduction payments are ordinarily due at 5-year intervals.

V. Private Use of Bond-Financed Facilities

The Designated Tax Compliance Official or his or her designee will:

- a. Create and maintain records of which proceeds of bond issues were used to finance which facilities. These records shall incorporate the refunding or partial refunding of any bond issues.
- b. Record the allocation of bond proceeds to expenditures, including reimbursements. These records will be consistent with the expenditures used for arbitrage purposes.
- c. Record the allocation of bond proceeds and funds from other sources in connection with any bond funded project. Review expenditure of bond proceeds with bond counsel to ensure bond proceeds are used for qualifying costs.
- d. Review with bond counsel prior to the sale or lease of a bond-financed facility, or the granting of a license or management contract, or any other arrangement allowing private use of a bond financed facility, the terms of such arrangement.
- e. Keep records of private use, if any, of bond financed facilities to monitor the amount of private use of bond financed facilities. Private use of bond-financed facilities shall be reviewed no less frequently than once a year (in connection with the preparation of the annual financial statements). If a change in private use occurs, bond counsel will be consulted to determine if remedial action is necessary.

Re: 25 year papers

Dear Dan,

I have been made aware that one of my volunteers has not received his 25 years of service certificate.

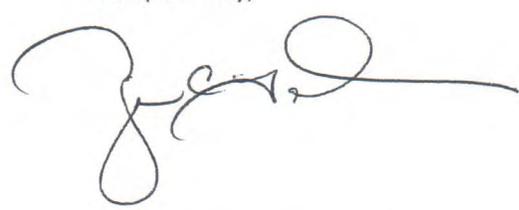

Mr. John Smith, who is now a member of Sweeney Hose #7, has been involved with the Department since approximately Sept. 4, 1989 when he joined Gratwick Hose #6. He left this company and transferred to Live Hose #4, and has now moved over to Sweeney.

I am aware that keeping tabs on members is important to record keeping, and I have been working with you office to update the files.

I am requesting that the proper certificate be filed with the Common Council and awarded to Mr. Smith at the earliest convenience.

Should you have any questions, please do not hesitate to call me, and thank you for your help in this matter.

Respectfully,

Fire Chief John C. Lapham

RE: April Howard
532 Payne Avenue, North Tonawanda, NY

Dear Mr. Quinn:

At the suggestion of Shawn Nickerson Esq., City Attorney, I am writing on behalf of Ms. April Howard.

She is requesting a reduction in the sewer usage portion of the water/sewer bill for the above-captioned premises.

The payment of this bill, as presently generated would create an extreme hardship on my client. In fact, the bill may be more than the value of the property in its present state.

Moreover, the cause of the ruptured water line which caused this bill was vandalism. I know Ms. Howard thought she had neighbors who had the property under surveillance, but to no avail. As I had previously told the City Attorney, the property was uninsured due to the vacancy. As a result there was a tremendous loss of personalty as a result of flooding.

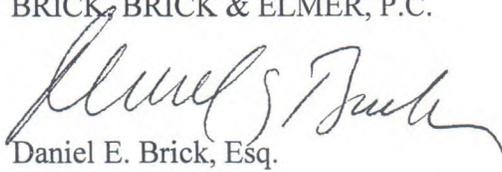

Ms. Howard has agreed to transfer the property so that repairs/rehabilitation can commence immediately. However, the reduction is necessary to make it all work.
