Mr. Russell Rizzo, President

City Hall
216 Payne Ave.
North Tonawanda, NY 14120

Dear President Rizzo and Council:

The Carousel Society of the Niagara Frontier is applying for assistance under the NYS Consolidated Funding Application to restore the High Bay building to the Allan Herschell Company complex. It will provide a space for a new gallery that will interpret the band organ production which is unique to North Tonawanda in the United States.

One of the requirements of the application is a municipal resolution of support. We are asking that you support this application with a resolution. I have attached a copy of the required wording.

Most likely, the application will go to the NYS Office of Parks, Recreation and Historic Preservation for approval under the Environmental Protection Fund- Historic Preservation Program. I have checked with Mike Zimmerman and he assures me that the City will not be applying for a grant under the Historic Preservation program and that this application will therefore not conflict with any the City is submitting.

Thank you all for your support of the museum and your consideration of this request. I would be happy to meet with you at a work session if you have any questions.

Sincerely,

Raphaelle A. Proefrock

RIDE FOR CHARITY

JUL 19 2016

July 14, 2016

216 Payne Ave
North Tonawanda, NY 14120

Dear Members of the Common Council:

On behalf of the committee for The Ride for Charity we would like to humbly request a workshop with the council to discuss our 2016 charity event. The Ride for Charity is a charity event, organized and run by employees of Sumitomo Rubber USA, LLC otherwise known as the Dunlop Plant in Tonawanda. We have held our event for the last nine years in the north towns and have raised over \$130,000 for local charities. Last year Sweeny Hose Fire Company was gracious enough to partner with us at American Harley. This year on September 10th, Sweeny Hose has offered to host our event at their fire hall. We are honored to have a great Fire Company be involved in our event and to allow them to also raise money for their hall. We are pleased with this new relationship and alignment with our tradition of supporting the community around our plant.

Sweeny Hose and our committee would like to formally request a workshop session, or other means to the council's discretion, with the council for the purpose of explaining and presenting our event and to kindly ask permission for use of the following city assets: Performance Stage, Snow Fence, Road Barriers, and DPW parking area. We graciously request these assets starting on the evening of Thursday September 8th through Sunday September 11th to allow us time to set up on Friday and tear down on Sunday.

I can be reached at 716-713-5823 and/or pluce@sumitomorubber-usa.com for scheduling purposes or more information.

Sincerely,

Paul Luce and Dan Drozdak
Committee Co-chairs.

Re: 45 Forest Drive, North Tonawanda

To Whom It May Concern:

I am sending this letter on behalf of my client Guy Krzywda. He currently owns a piece of property in North Tonawanda that he wishes to give up. The address of the property he does not desire to keep is 45 Forest Drive, SBL 176.17-4-59. The City Assessor's office has informed me the description they are using for the property is 125 east of Woodward, Block 58, Farm Lot 74.

We would like to know whether the city of North Tonawanda would like this piece of property. We would be happy to sign a deed prepared by the City giving it this piece of land. It currently sits on a paper street, with lots developed on one side of it. Please inform me as to the desires of the City in regards to this matter.

If you need to contact me my phone number is 716-201-0211 and my email address is MichaelGPutzakEsq@gmail.com.

Very truly yours,

MICHAEL G. PUTZAK, ESQ.
