

NOTICE TO ALL NORTH TONAWANDA RESIDENTS

City owned garbage totes and recycle bins should NOT be placed in the street, buried in or on top of snow banks and should be accessible to sanitation crews for pick-up.

Normal weekly sanitation pick-up is limited to the City issued green totes and blue & green recycling bins & totes, up to 2 clear bags of yard waste (30 lbs. or less each), large metal items and brush.

Bulk pick-ups for household furnishings that do not fit in the green garbage totes are conducted once a month after the first Sunday of the month. During 2016, residents may set out bulk items only on the following dates: **Sunday, January 3; Sunday, February 7; Sunday, March 6; Sunday, April 3; Sunday, May 1; Sunday, June 5; Sunday, July 3; Sunday, August 7; Sunday, September 4; Sunday, October 2; November, NO Pick-Up and Sunday, December 4.**

The City will collect these items during the week following. Bulk pick-ups are limited to 4 cubic yards or less per property and construction/demolition or hazardous materials are not to be placed at the curb.

Materials put out for bulk pick-up in excess of 4 cubic yards or not on dates listed are in violation of City ordinance and are subject to fines and/or additional collection fees. **Please note - there is NO November bulk pick-up.**

Television/Monitors: Televisions/Monitors are NOT to be placed at the curb for disposal. North Tonawanda residents may deliver television sets (tube type, flat screen or projection) and monitors to the Department of Public Works for recycling between the hours 7:00am and 3:00pm, Monday through Friday, except holidays.

Household Hazardous Waste (HHW): Hazardous Wastes such as fuels, pesticides, paint thinners, etc. will **NOT** be collected by the City of North Tonawanda. Residents with questions, please visit www.rethinkyourwaste.com.

The department has been experiencing problems with dusty materials being discarded into the green totes; please note that “dusty materials such as wood ashes, construction dust and floor sweepings should be properly contained (bagged or boxed) before being placed in the green tote.” This rule is to avoid inhalation of dusty materials by our employees. Please keep their safety in mind when disposing of your waste materials. Thank you.

Trash pick-up rules and helpful ideas are located on the City's website: www.northtonawanda.org

Your cooperation is appreciated.
