Mayor Robert G. Ortt & Property Maintenance Task Force to Sponsor Educational Seminar for Landlords Provided by Housing Opportunities Made Equal on March 10th

NORTH TONAWANDA—City of North Tonawanda Mayor Robert G. Ortt and the Property Maintenance Task Force will be sponsoring an educational seminar for landlords. The program is provided by HOME (Housing Opportunities Made Equal) and made possible by a grant.

The topics range from effective rental advertising to developing an appropriate lease agreement. The seminar is available at no cost to landlords/property managers with property in the City of North Tonawanda. The presentation is scheduled for Saturday, March 10th from 10am to 1pm at the Norman Keller Building, 500 Wheatfield Street. Registration is required for the seminar, and can be made by contacting the Mayor's office at (716) 695-8540.

"This will be a great opportunity for our landlords to learn about their rights and responsibilities", stated Mayor Ortt. "The goal of this seminar is to remind everyone that government is here to work with our landlords, not against."
