The Honorable Mayor Tylec and Common Council

216 Payne Avenue
 North Tonawanda NY 14120

Attached is the updated proposed program fee schedule for 2025, based on revenue amendments voted on by the council. Our budgeted revenue for 2025 is based off this following schedule which sees increases to youth sports, adult team sports, pavilion rentals, boat launches and golf fees. (all fees highlighted in yellow are reflective of an increase compared to 2024).

The fee increases will help offset the increase costs of providing services with an anticipated \$101,284.00 in personnel costs from last year, simply due to contractual raises and upgrades per CSEA and OPEIU unions as well as the minimum wage increase which takes affect in 2025.

<u>Revenue Increase</u>	<u>Program</u>

XIX. Building Inspector

December 12, 2024

Honorable Mayor Tylec & Common Council
 216 Payne Avenue
 North Tonawanda NY 14120

Re: Budget Request for Landlord Policy and Additional Code Enforcement Officer

The City of North Tonawanda currently has approximately 5,000 rental units, a number that continues to grow. As we work diligently to address code violations, maintain accurate rental and tenant information, conduct safety inspections, and review building permits, the demand for additional resources in our department has become increasingly urgent.

Given the ongoing development in our city and the negative impact absentee landlords have on our neighborhoods, I am requesting that the 2025 budget include finding for an additional Code Enforcement Officer (Group VII, Step 1 at \$48,228.00). This position is essential for the Building Department to carry out New York State mandated inspections of two family and multi-unit dwellings and to support other critical code enforcement duties.

To cover the costs of this position and to modernize our outdated permitting software, I am proposing the attached Rental Dwelling Unit Registration Policy. This program will help fund the expenses incurred by our department, while also establishing a framework to

address absentee landlords, combat neighborhood blight and ensure the safety of rental properties.

The addition of this position along with the proposed program and funding, is critical for the Building Department to meet State requirements and maintain the quality of rental housing for our residents.

Thank you for your attention to this important matter
